the first step toward success
is hiring the right lawyer.**

Success Starts Here...

Where the practice of law is more than a business — it's a profession

The law firm of Feinberg & Waller, a professional corporation, traces its history back more than forty years as an active part of the Southern California legal community. Marshall Waller, a California Board Certified Family Law Specialist and Family Law textbook author, is the firm's managing partner. He and his associates serve clients in all areas of family law, including divorce, custody, support, and pre- and post-marital agreements.
